BEFORE/AFTERCARE

PARENT ENGAGEMENT

Parents and guardians are vital to the success of our Eagle Academy students. The effective and meaningful engagement of our parents is a shared responsibility at EAPCS that involves community organizations and other groups. Parents are dedicated to actively promoting the learning, growth, and wellbeing of their children.

PARENT RESOURCES & GUIDANCE

At their request, EAPCS parents and guardians can be provided with various resources such as transportation, clothing, food, housing needs, etc. The availability of various resources will improve student attendance and academic achievement.
